

# PHYSICAL THERAPY, ACUPUNCTURE AND REHABILITATION SERVICES

Fort Lee Rehabilitation has offered reliable, rehabilitative medical services to the community for more than 38 years.

Your will receive personalized attention needed to create daily, easy to follow routines by our physical therapist and certified acupuncturist

We also offer additional services to assist in healing, such as acupuncture and pain management. Receive noninvasive treatment for your pain or injury at Fort Lee Rehabilitation. Our chiropractic office offers caring and attentive physical therapy and rehabilitation services.

## PHYSICAL THERAPY

Receive physical therapy as prescribed by you by an orthopedic surgeon. We offer a variety of physical therapy techniques, including pediatrics and industrial out-patient therapies. To assist in building your stamina and muscle growth, we also offer fitness programs.

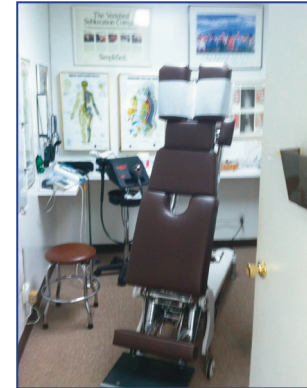

### Physical therapy is available for:

- Back
- Knees
- Ankles
- Wrists
- Hands
- Elbows
- Neck & Joint Pain
- Joint Replacements
- Neuropathy
- Post-Surgical Rehabilitation
- Fractures
- Sport Injuries
- and other injuries or pains

## REHABILITATION SERVICE

Your rehabilitation services may include ultra sound, cold laser, electro-muscle stimulation, heat therapy and cold therapy. However, our physical therapy does not stop there. We also offer manual therapy, as well as stretching and strengthening exercises.

We offer cervical and lumbar spinal traction in our fully equipped physical therapy facility.

**We offer cold laser therapy for carpal tunnel syndrome, sciatica and other pinched nerve syndromes**

## CHIROPRACTIC SERVICES

To receive chiropractic care, we will first review your case. Depending on the severity of your pain, acupuncture and physical therapy may be all that is necessary to ease your discomfort. If you must receive additional chiropractic care, the facility is located adjacent to our office.
