

ACUPUNCTURE AND PAIN MANAGEMENT

Our rehabilitation services are designed to alleviate stiffness and soreness, and to promote healing. Do not suffer with pain any longer. Visit [Fort Lee Rehabilitation](#) to receive acupuncture and pain management.

ACUPUNCTURE

We use traditional Korean and Chinese acupuncture techniques, which assist the natural healing processes. This approach has been highly effective as recommended by our local neurologists, orthopedists, and primary care physicians.

PAIN MANAGEMENT

You receive this service through a board certified pain management physician. However, it is only referred for invasive therapies, as needed.
